

EVILLE & JONES

Boost your career as a Veterinarian Meat Hygiene Inspector in the UK

Eville & Jones is the largest provider of veterinary official controls in the UK, working in cooperation with the UK Government - FSA (Food Standard Agency) and is looking to grow its diverse international Veterinarian Meat Hygiene Inspectors Team, by recruiting Veterinarian Meat Hygiene Inspectors to work in the UK, in the Food Safety/Public Health sector.

Key responsibilities:

- ✓ Operate as part of a team, performing post-mortem inspection and assisting the Official Veterinary carrying out official controls in the UK slaughterhouse.
- ✓ Ensure efficient, consistent delivery of legally required Official Controls.
 - ✓ Build and maintain effective relationships with the plant FBO.
 - ✓ Comply with the site's health & safety.

Ideal candidate:

You must be determined and passionate for the protection of the Public Health.

Show the ability to work unsupervised.

You need an approved Veterinarian Degree and the ability

1. Successful applicants will come to the UK on a Skilled Worker visa. We will guide you through the process, advise on all documents required and will cover all associated costs.
2. You will need a valid passport with at least six months before it expires.
3. You must prove you can read, write, speak and understand English by passing an approved test at a minimum level of B1 (IELTS equivalent 4-5) in each of the four areas to gain a Skilled Worker visa. More information and guidance will be provided during the application process.

You must be proactive with any requirements to apply for the visa, as submissions can take up to three weeks to be processed. All information needed for the application, will be provided to you during the selection process, as will any other guidance you require, right up to the point you arrive in the UK.

The course for Veterinarian Meat Hygiene Inspector learning course takes 4 weeks.

You will be provided with a car, UK mobile phone and all other equipment required to excel in your new role.

Continuous training and development is provided and there are plenty of opportunities to grow and further your veterinary career in the Public Health Sector at Eville & Jones.
